# MY BODY SAFETY RULES!

I am in charge of my body. People need my permission to hug, kiss, or touch my body. I can say, "No!"

Private parts are not to be shared with others. No one should look at, or touch my private parts. No one should ask me to look at, or touch their private parts.

I should have privacy when using the bathroom or changing my clothes.

Secrets about bodies are not safe. If I am asked to keep a secret, I will tell a trusted adult.

Safety Map - I have 3 safe adults that I trust. I can talk to them if I have a question or a problem.
